We are to place in the Lord's treasury all the means that we can spare. For this means, needy, unworked fields are calling. From many lands is sounding the cry, "Come over, ... and help us." Our church members should feel a deep interest in home and foreign missions. Great blessings will come to them as they make self-sacrificing efforts to plant the standard of truth in new territory. The money invested in this work will bring rich returns. New converts, rejoicing in the light received from the word, will in their turn give of their means to carry the light of truth to others. – {9T 49.3}
